EXTRACT FROM THE CONSTITUTION OF THE CHURCH

Each church member shall be in duty bound actually to contribute, **according to the measure of his temporal means**, to the needs of the general expenses of the church, to the care of the poor, to home and foreign missions, and to the spread of the Kingdom of God in general and the furtherance of our denomination.

Since the general expenses of the church vary according to varying needs, therefore the annual business meeting shall decide how much the **per capita tax** as well as the per centum **according to property valuation** shall be for the ensuing year on each member over twenty-one years old, so that the taxing will be an equitable one according to God's Word.

The church tax shall be paid to the treasurer not later than the first of December. (p. 5.)

The per capita tax for male adults for 1919 was \$2.00.

The tax on **all property owners** for 1919 was \$1.50 per \$1,000.
